¹ADL refers to daily self-care activities, including washing/bathing, dressing, feeding, toileting, mobility, and transferring. Seniors aged 60 to 64 must submit a Functional Assessment Report endorsed by a qualified assessor, such as a doctor, registered nurse, or registered physiotherapist/occupational therapist.

² 1st set of 8pcs for combined toilet and shower, or 10pcs for separate toilet and shower. For households who choose to install U-profile grab bars, each u-profile bar will be counted as 2 grab bars.

³ For non-standard bathroom sizes larger than 3.5m², prices will be advised by contractors during site survey.
