

### “Book Facilities” Feature

- By Mar 2020, residents will be able to use the OneService App to search, book, and enquire about spaces such as function rooms, multi-purpose halls, workshop rooms and outdoor playfields to host their community interest groups.
- We will progressively add micro-services from government agencies, Town Councils, and other organisations to open up sports facilities, BBQ pits, and public housing void decks that residents can book and pay for online too.

#### Screenshots of “Book Facilities” Feature

The image displays two screenshots of a mobile application interface for booking facilities.

**Left Screenshot: Search Filters**
