

Pipeline Supply of PW Sites

The Government intends to release at least two Church sites and two Chinese temple sites for tender each year, over the next few years.

The first two sites – one standalone Chinese temple site and one standalone Church site – will be launched in the next 2-3 months.

Details on other upcoming tender launches (including the PW hubs) will be made available on HDB's website when ready.

Church

Indicative Year of Launch	Indicative Location
2018	Choa Chu Kang
2019	Ubi (PW hub) Bukit Batok

Chinese Temple

Indicative Year of Launch	Indicative Location
2018	Punggol
2019	Punggol Tai Seng (PW hub)

Note: Sites that are scheduled for launch beyond the indicated timeline will be well distributed across the various regions. More details will be made available when ready.
