

Monitor that Lizard!

and other tips on what to do if you see one:

#1

Keep calm

Do not touch, chase or corner them.
They are generally shy and will not attack
unless they are disturbed or provoked.

#2

If you encounter a monitor lizard in your garden,

please call NParks' Animal Response Centre at
1800-476-1600 (24 hours).

#3

Seal any gaps in your fencing

to prevent monitor lizards from
entering your home.
