

A Better Living Environment (ABLE) Roving Exhibition

A BETTER LIVING ENVIRONMENT: CARE, COMMIT, CHAMPION

You get another chance to visit the interactive 'A Better Living Environment' (ABLE) exhibition if you have missed it last year. The ABLE exhibition organised by the Municipal Services Office (MSO) will be roving to more locations this year!

The exhibition shows visitors how they can play their part to (i) **care** for their living environment, (ii) **commit** to discontinuing any bad habits that can cause inconvenience in shared spaces, and (iii) **champion** good habits within their own communities.

The ABLE Roving Exhibition features information panels, an interactive activity, a pledge wall and a lucky draw segment.

The exhibition brings public education messages from different agencies under one roof. It reminds visitors to bin their rubbish properly, pick up their dogs' poo when bringing them out for walks, and keep common corridors clutter-free, among other things.

Visitors can take a test using quiz cards. If they answer all questions correctly, they stand a chance to win prizes in a lucky draw!

Visitors who take part in the lucky draw stand a chance to win grocery vouchers worth \$30.

The exhibition will be held at the following locations, so be sure to visit if you are in the area!

Clementi Public Library
Heartbeat @ Bedok
Our Tampines Hub

2 – 31 Jan 2019
1 Feb – 10 Mar 2019
11 – 31 Mar 2019
